Align with JA’s vision to inspire our youth to create their future, TEDxYouth@HongKong

holds the record for the largest bilingual TEDx event in the city and is in its 6th year. Every year, new presenters from different fields such as art, creativity, entrepreneurship, sports, and social causes come on stage to share and inspire youth in Hong Kong and around the world via live stream with their stories.

15 of Hong Kong’s doers, thinkers, shapers and innovators from all walks of life have come together to celebrate the power of youth at the TEDxYouth@HongKong 2015 event on November 14th at Cyberport, Hong Kong. The event is organized JA Asia Pacific and supported by JA Hong Kong.

“Let their personal stories resonate with you. Be inspired by them and take the challenge to create your envisioned future.” Says Vivian Lau, President of JA Asia Pacific, Convenor and Curator of TEDxYouth@HongKong 2015, as she opened the event.
